2.2.4 Homelessness

Communities to increase housing stability for those experiencing homelessness

Strategy 2.2: Foster collaboration between first responders, service providers, and local governments, including law enforcement.

2015-2016

- Implement McKinney-Vento Program for Long-Term Shelter Stayers (Leads: All Home, City of Seattle)
- Expand shelter, interrruption mechanisms, and shelter diversion (Leads: City of Seattle, King County)

2015-2016 action steps

2.2.C Expand capacity to divert people from shelter, providing housing focused services prior to housing.

2.2.B Increase support and community education for crisis response needs, including interrruption survival.

2.2.A Ensure sufficient shelter capacity, including the preservation of existing shelter and increasing capacity.

2.1.4 Ensure sufficient shelter capacity, including the preservation of existing shelter and increasing capacity to address crisis as quickly as possible.
